"We can confidently recommend Mr. Millar's volume to the attention both of teachers in search of an elementary text-book, and to private students, as well as to the general reader. A MEDLEY OF NOTABLES: What they said and What others said of them. By G. F. S.

"This little book contains on one side of each page a quotation from some well-known author, and on the other side a brief notice of this author by other authors. If we turn to Shakespeare, for instance, we find quoted Dame Quickly's description of Falstaff's death, while there are given notices of Shakespeare by Keats, Ben Jonson, Browning, Barnefield, and by some anonymous writer who likely enough is the editor. From him we learn that 'Shakespeare went before all men, and stands in the array of human intellect like the sun in the system, single and unappropriated.'"—*Saturday Review.*

In Class B Policies have a reduction of Premium for the whole term of Life, which, in the cases of those effected in 1871, varies from 3½ per cent. to 24 per cent. according to the age of the Life Assured.

LIFE DEPARTMENT.

In a Life Assurance Contract, Security should be the paramount consideration, and next to Security in importance are the terms and conditions on which a Policy of Assurance may be obtained. The conditions of the *Alliance* have been placed on a footing eminently favourable to the Assured, and the rates of Premium for Policies that do not participate in profits have been materially reduced. Assurances may be thus effected with the Office free from many restrictions which usually attach to Life Policies, and at a minimum cost in premium; while the Security afforded by the large Capital and Reserves of the Company is of the highest character.

Participating Policy Holders receive 80 per cent. of the declared divisible Profit from all Life Assurances.

Important concessions have been made to the Assured as regards Foreign residence and travel.

Under favourable circumstances whole World Policies are granted free of extra Premium.

The following are specimen charges for Assurance for the whole of life without profits:—

£1	12s.	7d.	per cent.	per annum	for life aged	20	next birthday.
2	1	8	,,	,,	,,	30	,,
2	16	4	,,	,,	,,	40	,,
4	2	0	,,	,,	,,	50	,,

Premiums for Policies payable during the lifetime of the Assured, and for other classes of non-participating Policies, are equally favourable.

FIRE DEPARTMENT.

Fire Policies are granted on the usual terms.

The Directors are open to entertain applications for Agencies from parties who are in a position to introduce business of a high class.
